

Dear Parent(s) / Guardian(s),

We're so excited for your student to come to Fuge Camp with us next month! While we've done our best to invest in their lives with the time we have we understand that you are their biggest influence. That's why we want you to know exactly why we're taking your student to camp and how you can encourage them. Camp could be a game changer in their lives. We ask that you pray for your student as they discover a deeper relationship with God this summer.

### **Why is Summer Camp so important?**

Students are bombarded day after day with so many influences; at school, on social media, out with their friends. They have so much going on in their lives. We want these students to have the opportunity to get away from all of the business of life and stresses, and be able to focus on their relationship with God. Of course they will have a great time but there will be many opportunities for them to hear about Christ. Not only what He did for them, but also how they can grow in their relationship with Him. Camp is a great opportunity to be surrounded by other students who are seeking Christ. We hope that our students, and the students from other churches, can truly grow in their faith or begin their own faith journey.
